Dear Language School,

Thank you so much for all of the wonderful years you gave me at your school and for the great pen I received a few months ago. I spent twelve enjoyable years of my life learning at this school, and I'll never forget it. I looked forward to coming every time. It was a place where I would speak three different languages in one spot. For me, this was ideal.

I look forward to visiting everyone after I get back from Middlebury Arabic immersion, which is great because I can actually speak Arabic now!!

Best regards,
Danielle Fiorino
