

Dear Inge,

7-3-03

Friends of Holmdel Open Space greatly benefited from your incredible generosity at our "Beatles in Our Backyard" fundraiser. There is no doubt in my mind that each person who purchased language lessons will indeed be as happy as I am with your wonderful teachers and staff.

Everyone at The Language School is warm and caring, making it a special place for me and my son to visit each week. Having an opportunity to meet and speak with you recently, I know creating that special atmosphere is a top priority for you. That is why your generosity to community projects comes as no surprise but does inspire our heartfelt gratitude.

Thank you for caring. It is greatly appreciated.  
Sincerely, Eileen Sclafani
